

## **Agency Oversight Group**

### **Charge**

**To provide logistical support, as needed to the Citizens Advisory Committee (CAC), Biological Advisory Team (BAT), and ultimately the Southern Edwards Plateau Regional Habitat Conservation Plan (SEP-HCP) applicants, in order to meet deadlines, stay on budget, and provide a framework within which to facilitate communication between regulatory agencies and the Grant applicants. The AOG is not a decision-making body and will not deliberate on Plan decisions, development of, or implementation of the Regional Habitat Conservation Plan.**
